SCHOOL UNIFORM POLICY

Adopted September 2023

Reviewed September 2024

Next review September 2025

We encourage all the children at our school to wear our uniform – this gives them a sense of belonging and pride in our school community.

Our uniform consists of:

- Green jumper or cardigan or school sweatshirt with logo
- White polo shirt/ blouse/ or shirt
- Grey or black trousers/ skirt/ pinafore dress
- Smart black shoes (Velcro fastenings are ideal – laces can be a bit of a nightmare for young children!)

In the summer, girls often choose to wear a green and white checked school summer dress. Grey or black school shorts are also a popular option in warmer weather.

Please make sure you stitch in a name label or write with a laundry marker in all your child's clothing to help us return lost items quickly.

PE Kit EYFS children will not require a PE kit until the Summer Term • Trainers (these are better than plimsolls as they provide better support to the foot and ankle) • White T-shirt or PE shirt • Black PE shorts • When cold in the winter a Tracksuit/Sweatshirt & Jogging bottoms are also useful Please send your child's PE kit in a suitable drawstring bag (not a large rucksack) please ensure the bag and all items are named.

Where to purchase uniform?

Most uniform clothing is available from high street stores and supermarkets. The school sweatshirt with the logo is available to buy from **Thomas Moore, Exeter**. Please click on the link below for online ordering and further information:

Second-hand Uniform

The school has second-hand school sweatshirts and other items of uniform which are available free of charge. Please ask in reception or telephone the school for more information 01884 253398. Items of lost property, which are unmarked and unclaimed will be laundered and made available as second-hand free uniform.
