Local Tiverton Primary School Says Farewell to Retiring Head Teacher

Castle Primary School in Tiverton is bidding a fond farewell to Head Teacher for the past 13 years, Mrs Cathy Noble, who retires at the end of the term. Mrs Noble has been a stalwart at the school since 2012 and has overseen the ongoing development of the school through two consistently 'Good' Ofsted reports, first in 2017 and more recently in 2023 where Castle Primary School was particularly commended for its Early Years provision, robust leadership and the behaviour of the children.

Mrs Noble also oversaw the move from Castle's previous, Victorian, school buildings to the current spacious, new and vibrant learning environment enjoyed by its pupils.

Val Bishop, the current Chair of Governors and parent of children in Year 3 and 4 of the school, says, "We have been fortunate indeed to have Mrs Noble at the helm of the Castle ship for so long. Her commitment to the education of children in Tiverton, and her belief in their ability to aspire to be the best has been unwavering. She will be missed by pupils, staff, parents and the wider school community and we thank her for everything she has done to bring Castle Primary School to where it is today. We all wish her a long and happy retirement."

Castle Primary School will welcome new Head Teacher, Mr Tom Paddon, in September.
