

Devon Connect

Connecting People to their Community

Devon Connect is an online platform designed to connect people to their community and promote social interaction.

The platform aims to:

- . Help people find information, groups, activities and resources available in their local community**
- . Help people share information, skills, time and volunteer in their local community**
- . Help people connect with people and groups in their community**
- . Help groups and organisations promote opportunities and find Volunteers**
- . Support Devon's voluntary sector partners to collaborate**
