

Castle Primary Early Years' Network

Castle Primary welcomes EYFS settings

All local settings with nursery provision are warmly invited to join our network, which focuses on providing the children of Tiverton with the best start.

SCHOOL VALUES

Vision Statement

At Castle Primary School, our vision is to create a nurturing and ambitious learning community where every child is inspired to thrive academically, socially and emotionally.

We believe education should empower pupils to overcome challenges, show respect for themselves and others, and reach beyond expectations to achieve their full potential.

Mr Thomas Paddon
Headteacher

Our Values

Resilience

We encourage perseverance and a positive mindset, helping children to embrace challenges and learn from mistakes. Resilience enables our pupils to grow in confidence and develop the skills needed for lifelong learning.

Respect

We foster a culture of kindness, empathy and responsibility. Being respectful means valuing diversity, listening to others and contributing positively to our school and wider community.

Reach

We inspire ambition and curiosity, motivating pupils to aim high and explore new opportunities. Reaching beyond what is comfortable ensures every child can flourish and achieve excellence.

NETWORK BENEFITS

SEND SUPPORT

As you know, early intervention is the best approach when children are facing challenges. We would like to provide free telephone support from our experienced SEND Team when you need it. This could be offering help with completing paperwork or talking through a child's SEND and what support may be needed.

HIGH QUALITY CPD

The work you do in pre-school settings is invaluable in preparing children for school. We know that you form excellent relationships with parents and carers and get to know families well and we want to support you in this vital work. When working with us you will have free access to professional development online or in person at Castle Primary School

CHILD DEVELOPMENT

Throughout the year, Castle Primary host professionals delivering talks suitable for staff and parents across all areas of child development. We would like to invite your staff and/ or parents to these. Topics such as speech and language development, toilet training and school readiness will be covered.

ACTIVITIES

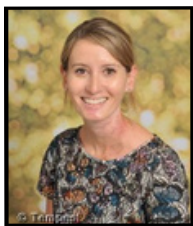

We would like your staff and pupils to benefit from experiences at the school to help children get used to the school environment. You'll be able to attend free activities throughout the school year that cover aspects of the EYFS curriculum, such as visits from Exmoor Zoo.

NETWORKING

We understand the benefit of discussion with other professionals in the field and the partnership will allow you the opportunity to network with other pre-schools and school EYFS staff to share successes and talk through challenges, all whilst feeling supported.

Sign up to Castle Primary - Early
Years' Network

Mrs Rebekka Thorne
EYFS Lead

Miss Kerry Charnock
EYFS Teacher

Mrs Jo Hutter
School Business Manager

Miss Amelia Green
