

In September, I will be in Birch class. My teacher will be Miss Willey.

These are the other adults who are part of my class team

Mrs Sampson

Mrs Lofty

Mrs Davies

Mrs Hunt

This is my new classroom

In the morning I will come into the building through this door and walk to my classroom.

At home time I will leave the building through this door and line up on the playground with my class.

Some of the places I use will be the same as last year and some of them will be different. If I am not sure about something, I can ask the adults in my class or around school to help me.

We are really looking forward to seeing you in September and can't wait to hear all about your summer holiday.
