

In September, I will be in Sycamore class. My teacher will be Mrs Pierce.

These are the other adults who are part of my class team

Mrs Zhang

Mrs Sampson

Mrs Hunt

This is my new classroom

Some of the places I use will be the same as last year and some of them will be different. If I am not sure about something, I can ask the adults in my class or around school to help me.

We are really looking forward to seeing you in September and can't wait to hear all about your summer holiday.
